My Bizerba modular principle

A new service experience

My Bizerba is our response to constantly changing markets and needs. It is our central idea to offer you the best prospects and success in your industry.

With My Bizerba you will discover your individual balance of quality, economy and flexibility..

You want to reduce complexity and administrative work for one or more tasks? My Bizerba Service contracts let you decide what type of services you need.

You want to realize your individual system and to economically operate it in the long-term - at regular costs which can be planned? With My Bizerba Smart Contracts we can help you.

You want comprehensive additional offers to complement your service package. This is exactly what our clever modular system offers.

You can combine our products and services as needed. You will be pleased with the quality supplied by a leading solutions provider which puts you a step ahead of the competition. And it feels good to know that your equipment is protected with us as a partner right from the beginning.

Let's talk about it

Your personal Bizerba sales person is at your service to set up a My Bizerba service package for you based on your individual requirements.

The new possibilities of My Bizerba make it easy. You can learn more about the contracts in our brochures.
