XC II 300 Pro

BIZERBA

Modern PC technology in a compact design is what the X-Class II Pro series stands for. This multifunctional device allows convenient, intuitive and fast operation via touchscreen. Enjoy more performance due to a large RAM. All models are provided with a powerful Intel® Quad Core processor. Ideally suitable for new features or individual requirements.

More information
High performance with a wide range of solutions and options.

Product description

The Bizerba XC II 300 Pro provides you with functions for the modern daily routine in retail: Weighing, labeling, advising customers and transactions are possible with this scale. Integrate this multifunctional device in your store concept in an easy and flexible manner: This solutions lets you label prepackaged goods, for example. Combined with an external load receptor it precisely weighs goods. With a cash register drawer this device becomes an efficient checkout solution.

A powerful and open PC platform ensures high performance: The large RAM has sufficient memory to let you implement new features or individual requirements. Even the use of 3rd-party software is not a problem.

The Easy Load printer stands out in terms of its easy paper roll change function. Daily cleaning of the device is done quickly and easily.

XC II 300 Pro with 10.1" operator display
