Screen cleaner

BIZERBA

Our professional portfolio of cleaning and care products offers you the right solution for your business. This highly effective Bizerba screen cleaner disinfects and cleans TFT or LCD displays and touchscreens in a single work step. The result is visible: Hygienically clean surfaces.

More information
High performance with a wide range of solutions and options.

Product description

Care, clean, and disinfect with just one product - the special Bizerba screen cleaner makes this possible. Combined with the Bizerba microfiber cloth, which is washable and therefore reusable, it removes grease and finger prints without leaving any residue. The cleaner has an antistatic effect, protects the surface and helps keep it from getting dirty again quickly. In comparison to non-adhesive cleaning agents, the performance of the Bizerba screen cleaner is visibly more thorough and more intense. Obtain a clean appearance without any concerns for your production and sales areas. Because the Bizerba product conforms to the NSF Hygiene Standard C1 Nonfood Compounds. Yet another highlight: how easy it is to use. Clean the screen hygienically, quickly, and with a minimum of effort.

Available container size 250 ml

Product features

- Multi-functional application: care, hygienic cleaning and disinfection of TFT and LCD displays or touchscreens
- Suitable for retail scales, price labeling systems, label printers, logistics systems, automatic checkweighers, inspection systems, compact and precision scales, weighing terminals, packaging systems
- High hygiene standard: NSF certification in category C1 Nonfood Compounds, except for USA
- Halal certified
- Kosher certified
- Optimal use with high-quality Bizerba microfiber cloth, with product size 200 ml cloth included: soft, lint-free, absorbent and washable at 40 °C
- Gentle care and cleaning: Coordinated compatibility of materials and intense adhesion of the cleaner to vertical surfaces thanks to surfactants. Note: Do not spray cleaning agent directly on touch screen of retail scales
- Effective and economical in use
